

## **HUBERT LAU**

Mr. Lau is well known for his dynamic and creative solutions for organizations of all sizes. With over 20 years of experience in the IT industry, servicing and consulting for over 400 organizations including both privately held and publicly traded companies. Along with providing technology solutions, he now leads workshops and taskforces to enhance a company's overall productivity through technology adoption.

As President and CEO of Ekota Central Ltd., Mr. Lau has worked with industry sectors such as financial, law enforcement, oil and gas, real estate, manufacturing and construction. Under his leadership, Ekota has established the collaborative framework to provide robust, cost efficient solutions by leveraging both local and international expertise.

Mr. Lau also served on, and continues to support, a number of different Board of Directors for publicly traded companies, charities and First Nations owned investment companies.
